**WELCOME TO THE WASHINGTON MEDICAID INTEGRATION PARTNERSHIP
(WMIP).**

**You are being enrolled in WMIP - A new health care program coming to Snohomish
County in January 2005!**

Chances are you have already heard about the new health care program called WMIP. You should have got a letter and enrollment guide in the mail. If you have not read them, please take the time to do so.

Here is a fast way to find out what WMIP is all about.

Come to a WMIP Education Fair in November. Family and friends are welcome to come too. The times, dates and places are listed below. Come talk with us, ask questions and learn more about WMIP. Staff from the Department of Social and Health Services (DSHS) and Molina Healthcare of Washington, Inc. will be on hand to help you. You can learn all about WMIP medical and drug and alcohol treatment. In 2005, when DSHS adds mental health and long-term care to WMIP, we will have more education fairs.

If you have questions about the WMIP Education Fairs, please call 1-800-562-6136, extension 51712.

If you have no way to get to one of the fairs, call 1-877-852-2580 and you can get a ride at no cost to you. When you ask for a ride, tell them you are going to one of the WMIP education fairs.
